

# LOGGING IN TO MANAGE YOUR PAGE AND FUNDRAISING

- 1 Go to [crophungerwalk.org](http://crophungerwalk.org). If you see your name in the upper right corner, great – you’re logged in. If not, click the “LOGIN” button and enter your credentials based on how you registered – via Facebook, Google, Twitter or with your email address.

- 2 Once you’re logged in, go to your name and avatar (now in the top right corner) and choose “Manage My Page”.

Now you have access to all your fundraising controls.
