

HOW TO REGISTER AND START A TEAM

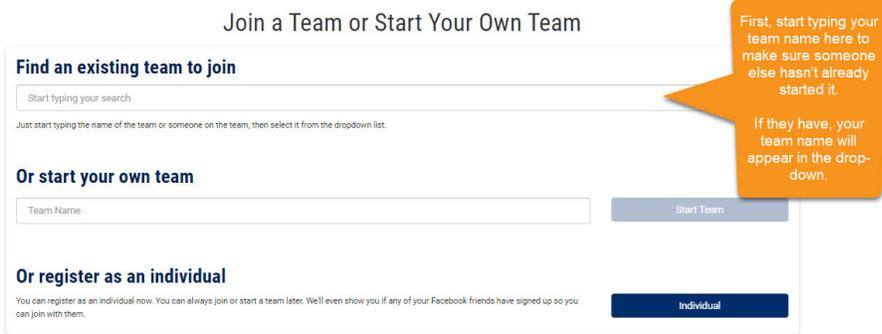

1 Go to crophungerwalk.org and type the name of your walk in the search bar (in the upper right).

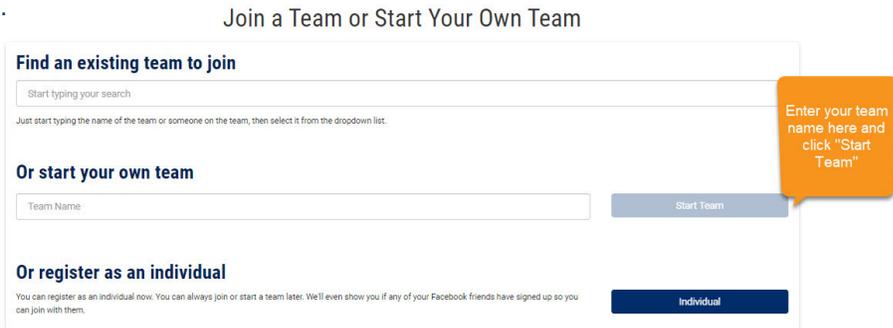

2 Click “Join or Start a Team”.

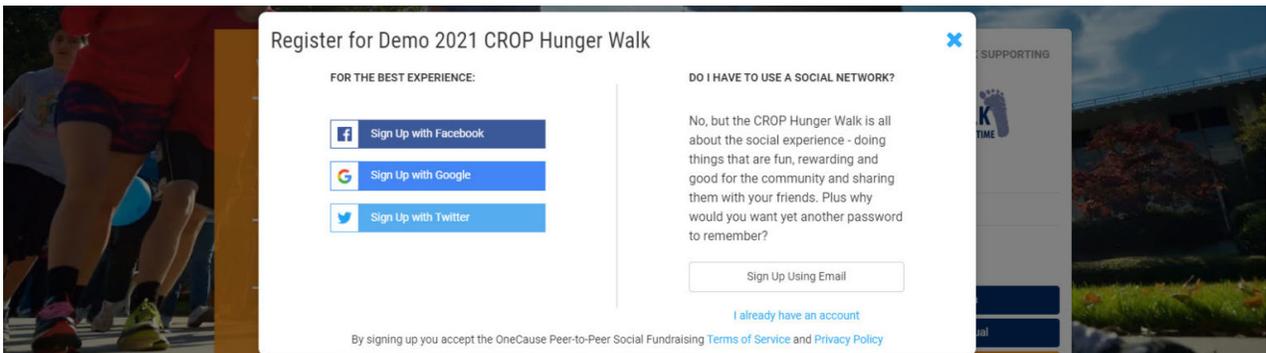

3 Next, let’s make sure someone else hasn’t already registered your team. Use the “Find an existing team to join” box to search. If you don’t see your team name in the drop-down, you’re in the clear.

4 Enter your team name in the “Or start your own team” field and then click “Start Team”. When choosing a team name, make sure to include your city/state in the name as well to differentiate from other similar team names (eg. First Presbyterian Church, Chicago IL).

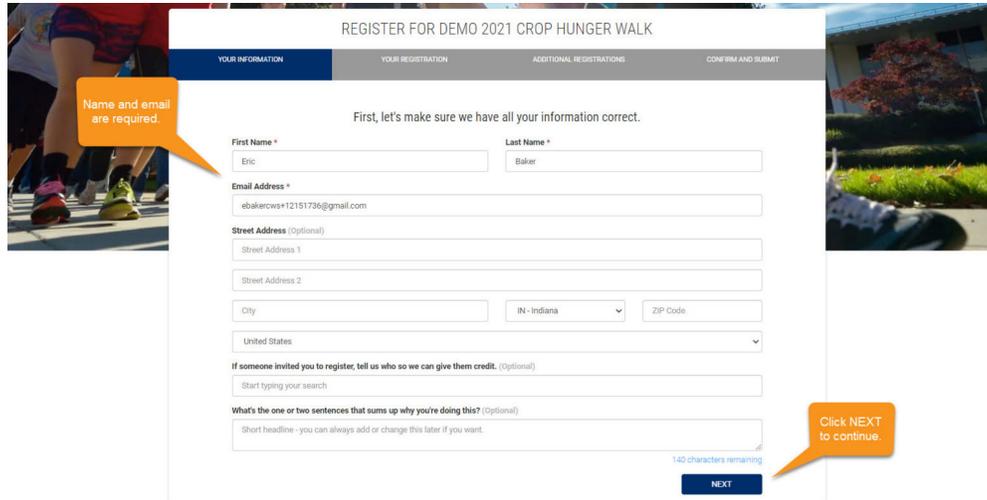

5 The easiest way to register is to click the “Sign Up with Facebook”, which will link directly to your Facebook account. If you registered in previous years use the same email and password to login. If you forgot your password, click “Forgot Password?” and follow the prompts.” You can also sign up with Google, Twitter and connect either of those accounts, or simply sign up with your email address.
