The CROP Hunger Walk is more than just a yearly gathering or event for me. It is my chance to help families who are struggling with hunger and concerned about where they'll find their next meal. The Walk is my way of taking action, to make sure that one more person has enough to eat.

I want to help as many people as I can and would love to have your help. Please support me by making a donation! The steps we take - and the funds we raise - support programs that provide meals in my community and long-lasting solutions to hunger around the world.
